

“Your staff and volunteers, the family vibe and unity that Just His House creates, along with God being the center of it all makes you my Super Woman! I am safe. I am free of any addictions. I have female friends here who build each other up instead of competing against one another, and now more than ever before, I can see just how much God loves me.”

— WP Survivor

Trained in  
Prevention

**\$2,878,000**  
Funds Generated and Invested  
Back into Our Community

\* Stats cited as of March 2021

I was eyes to the blind and feet to the lame.

I was a father to the needy;

I took up the case of the stranger.

Job 29: 15-16 (NIV)

**Without Permission**

end sex trafficking

## Our Vision

We exist to end sex trafficking in the Central Valley.

## Our Promise

We restore the victimized, educate our youth to prevent exploitation, and attack the lies that drive demand.

# Prevention

Without Permission believes “knowledge is power.” We desire to bring that power to our students, parents, faith community and market place that is needed to keep them safe and ensure justice is achieved.

In the last 11 years, WP has led 850 events, trainings, and meetings reaching more than 60,000 people. Events like #iamchange Freedom Walk, SCOE Preventing and Addressing HT in Schools, Oakdale, Ceres and Patterson Town Halls, Human Trafficking Awareness night at Modesto’s State Theater, Stockton’s Public Safety Day and more. WP partners with Stanislaus County Community Service Agency to bring full day community trainings on trauma-informed care, tactics of traffickers and flags of victims, social media safety, serving victims in healthcare and housing. WP is mobilizing community members to distribute anti-trafficking materials.

**WP has trained on 24 campuses within five school districts in the Central Valley**

**WP has mobilized more than 50 church congregations to action**

**WP has engaged civic groups such as Soroptimist, Kiwanis, Rotary and Lions**

**84% of victims served call Stanislaus or San Joaquin Counties home**

**95% of victims were “wooded” by a boyfriend pimp**

**11 is the age of our youngest male survivor**

**Up to 36% of trafficked children in the U.S. are boys according to a Department of Justice 2016 report**

Without Permission is committed to ongoing development and supporting collaborative relationships with law enforcement, the judicial system, social service agencies, juvenile hall and other partners who serve high-risk populations targeted by traffickers. These partnerships will produce the victories our survivors seek from the criminal justice system.

Without Permission delivers education to girls in custody by presenting the facts and dynamics of sex trafficking. While the instruction is preventative in nature, it has also enabled girls to recognize their exploitation and trauma, to self identify and ask for help while in a safe place.

# Justice

# Restoration

Every victim of trafficking has their own story and needs for restoration. Our work is to treat every survivor as our first, meeting their unique needs for healing and support.

In our effort to restore the whole person that has been victimized by sex trafficking, a trained community volunteer is mobilized to work directly with the survivor in the restoration process. This Certified Navigator is a familiar and safe presence, who serves and supports a survivor through Six Cornerstones of Restoration as needed. Areas of focus are shelter, criminal justice, education, health, personal care and faith.

**Just His House (JHH) is a restoration day center for survivors of sex trafficking who are currently in mentorship with a Certified Navigator. JHH is a safe and healthy environment for mentorship and therapy, with an emphasis on the faith cornerstone.**

**Every survivor is offered a Bag of Compassion filled with personal care items. This bag provides victims with the support line number for 24/7 access to a Certified Navigator.**
